## Statement on COVID-19

Despite the recent events related to COVID-19, many people in the middle Tennessee region still have need for dental care during these unprecedented times. In accordance with the CDC and American Dental Association guidelines, **we want all of our patients to know that we remain open to provide emergency or urgent dental care to all who need it.** Please do not hesitate to give us a call if you have any questions or have any emergency dental needs at this time (615-297-8973). Rest assured that we are taking all available precautions to ensure the safety and health of our patients using the latest information related to the coronavirus outbreak. We wish you and your loved ones an abundance of health and safety as we fight as a community to overcome COVID-19.
